Don't Waste Your Life

The United States has the blood of more than 55 million babies on its hands. We have to ask a question: Does God care about right and wrong? If a judge lets a murderer go free, is that a just judge? The Bible teaches that God delights in loving-kindness and justice. (Jer. 9:24) An unexamined life is a wasted life... Don't waste it. Examine yourself. Are you good enough to go to heaven? Have you lied (even once)? Ever stolen anything? If you said yes, you've admitted that you are a lying thief. If you hate someone, you are a murderer (1 John 3:15). Jesus said, "Whoever looks at a woman to lust for her has already committed adultery with her in his heart" (Matt. 5:28). Jesus said, "No one is good but One, that is, God" (Matt. 19:17). The Bible tells us, "It is appointed to men once to die, but after this the judgment" (Hebrews 9:27). This means we have an appointment with death and God will bring every deed into judgment. There's no second chance and no purgatory. A good judge must punish criminals. If you are found guilty on Judgment Day, you will end up in hell. Motivated by loving-kindness, God sent His Son, Christ Jesus into the world to be crucified on a cross taking our guilt on Himself. Because Jesus was sinless, His sacrifice perfectly satisfied God's justice and wrath. "God demonstrates His own love toward us, in that while we were still sinners, Christ died for us" (Romans 5:8). He defeated death and rose from the grave. Repent (turn from your sins) and put your faith in Jesus and God will forgive your sins and grant you eternal life—Read your Bible daily. "Whoever believes in the Son has eternal life; whoever does not obey the Son shall not see life, but the wrath of God remains on him" (John 3:36). "For by grace you have been saved through faith, and that not of yourselves, it is the gift of God..." (Eph. 2:8,9).

THE LAW AND PERSONHOOD

On January 22, 1973, the U.S. Supreme Court ruled that the preborn child is a “non-person” in the Roe vs. Wade case. Everyday in the U.S., over 3000 babies are denied justice and executed with no judge, no jury, and no trial. Since 1973, the United States has the blood of more than 55 million babies on its hands. A death toll that exceeds the deaths of all American wars combined. The U.S. Supreme Court, in the 1973 companion cases of Roe vs. Wade and Doe vs. Bolton gave women the right to abort during all nine months of pregnancy. Some abortion clinics will only perform abortions up until 12 weeks, but there are abortionists who specialize in third trimester pregnancy. In the Dred Scott decision in 1857, the U.S. Supreme Court ruled that black people were not “persons” in the eyes of the Constitution.

ABORTION & RACISM

“...we do not want word to go out that we want to exterminate the Negro population,...” -Margaret Sanger (1883-1966)

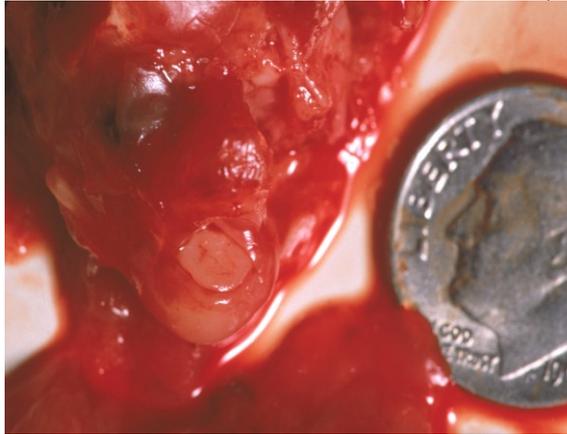

The largest provider of abortions in the U.S.A, Planned Parenthood, was started by Margaret Sanger with the goal of getting rid of black people. Margaret Sanger was named “Humanist of the Year” in 1957. Margaret Sanger described black people as:

“Reckless breeders...spawning...human beings who never should have never been born.”
Pivot of Civilization

“Genetically inferior...Human weeds”
The Need of Birth Control in America 1925

Margaret Sanger declared war on "unwanted" children with her motto, "every child a wanted child." Should a person's right to live depend on someone wanting them?

FIRST TRIMESTER ABORTED (11 WEEK)

We hold these truths to be self-evident that all men are created equal, that they are endowed by their Creator with certain unalienable Rights, that among these are Life...
- Declaration of Independence

FIRST TRIMESTER ABORTED (11 WEEK)

SHOULDN'T A WOMAN WHO'S BEEN RAPED HAVE THE RIGHT TO AN ABORTION?

Do you kill the baby for the crime of the father? What about the rights of the baby? Is the baby less of a person because it was conceived during a crime? Killing the baby doesn't erase the rape. It is possible that you were conceived in rape. The rapist should be brought to justice and adoption is a viable option.

DON'T IMPOSE YOUR MORALITY ON ME!

During the 1960's, many people opposed civil rights legislation saying, “you can't legislate morality”. Dr. Martin Luther King Jr. responded, “It is true, the law cannot make the white man love me, but it can stop him from lynching me.” Governments impose morality on us every day by outlawing such acts as kidnapping, rape, and theft. These laws are based on morals which protect vulnerable people from those who would “choose” to do them harm. Unborn children are the most vulnerable class of human beings and liberal abortion laws permit them to be killed just because their parents want them dead. *Remember, everyone who supports abortion has been born already just as everyone who supported slavery was free.*

I'M NOT READY TO BE A PARENT...

A BABY WILL RUIN MY LIFE!

If you have helped to conceive a baby then you are already a parent

A FETUS IS NOT FULLY HUMAN...

IT'S NOT LIKE ME

Should the right to life be based on size, form, or function?

ABORTION IS LEGAL...IT'S A WOMAN'S CHOICE

Slavery was once a legal choice

I'M NOT SURE IF I WANT TO HAVE THIS BABY

Anyone who is pregnant already has a baby. Should life only be given to those who are wanted?
